

UK Stewardship Code (2022) Disclosure Statement

January 2022

EXOR Capital LLP

(“EXOR” / the “Firm”)

FCA Regulatory Disclosure

Rule 2.2.3R of the Financial Conduct Authority (“FCA”) Conduct of Business Sourcebook (“COBS”) requires an FCA authorised firm to disclose the nature of its commitment to the FRC’s UK Stewardship Code or, where it does not commit to the code, its alternative investment strategy.

Adherence to the Code is voluntary. EXOR has chosen not to commit to the code taking into account the following considerations:

- The Firm’s investment strategy is global in approach and limited in its exposure to UK issuers;
- Active engagement with stewardship practices is not commensurate with the Firm’s resources/stage of development.

Consequently, while EXOR generally supports the objectives that underlie the Code, the provisions of the Code are not considered to be relevant to the activities currently undertaken by the Firm. If EXOR’s activities changes in such a manner that the provisions of the Code become relevant, the Firm will amend this disclosure accordingly.
